

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WASHINGTON

UNITED STATES OF AMERICA, } NO. CR-05-180-LRS-5
Plaintiff, } **ORDER GRANTING MOTION
TO RECONSIDER**
v. }
AMY LEANN HENSLEY, }
Defendant. }

BEFORE THE COURT is Defendant's "Motion To Reconsider Motion For Early Termination Of Probation" (Ct. Rec. 811).

In an order filed April 15, 2010 (Ct. Rec. 810), the court denied, without prejudice, the motion for early termination of probation. The court is provided with new information that because of Defendant's probation status, she cannot obtain certification (assuming she passes licensing requirements) as a licensed massage therapist. The Defendant has been on probation since October 2008, and has been in full compliance with all of the terms of her probation. She is currently employed. She has completed a 750 hour massage therapy course and desires to embark on a new career as a licensed massage therapist.

Having considered the factors set forth in 18 U.S.C. §3553(a), the court concludes that early termination of Defendant's three year term of probation is warranted by the conduct of the Defendant and the interest of justice. 18 U.S.C.
